# WHAT ARE FAMILIES ARE SAYING

Michelle  
Parent

During our 9 years at ADA, Kailynn has learned every genre of dance from talented and caring teachers. When life happens and we need support or love, it's our ADA family that is always there for whatever we need. She has a sincere love for dance, but it's the friendships and memories we make with our dance family that will be with us for a lifetime.

Gianna  
Parent

Our daughter has been taking dance classes at Academy of Dance Arts for the last 8 years. Emily and her staff have proven to be talented, delightful individuals that truly care about the happiness of their students. Through this experience, my daughter has grown as a dancer, learned the value of hard work, and developed an appreciation for the art of dance.

# WELCOME

Welcome to **Academy of Dance Arts**, a studio where dancers experience a nurturing environment where everyone shines. It is our philosophy that by providing a quality dance education with exciting performance opportunities dancers will build friendships, confidence, and learn what it means to be part of a team.

Our staff is full of enthusiastic, knowledgeable individuals who create a balanced classroom where dancers progress each week with a curriculum that is both challenging and exciting. The memories that dancers create at ADA will last forever.
