## HAPPY NEW YEAR!

## Spring Recital Costume Update!

We are preparing our Recital lookbook, which will include a photo of each class's costume. The \$75 costume fee was applied to your account on January 1. Dancers enrolled in Pre-Advanced or Advanced classes are the only exception; a separate email was previously sent with details about their costume process.

During the first two weeks of classes, our Studio Care Specialists will visit each class to collect updated measurements. Once measurements are complete and payment has been received, your dancer's costume will be ordered.

In the cold months, dancers should arrive in sweats or leg warmers and a coat to help keep those muscles warm!
