## Costume Update

We have measured our dancers the past few weeks to help determine what costume size to order for them. If you have just started dancing with us, please bring them to the front desk to get measured!

Our Look Book is at the Front Desk for Families to view costumes ordered.

If you have not yet paid your costume fees, please ensure that you make your payment.

After this first week of February, there is no guarantee that costumes will be received by recital.

## Make Up Policy

Flu season is upon us! Eat lots of fruits and vegetables to help ward off those winter colds. Drink lots of water and keep hydrated as this will help keep sickness away. If your dancer has a fever or is possibly contagious we do ask that you keep them home. Please see front desk staff for available times to makeup a class if missed.

Winter is upon us! We will be sending out emails and making social media posts about class closures, so please check your emails!

In the cold months dancers should arrive in sweats or leg warmers and a coat to help keep their muscles warm!

## FOOD DRIVE

The Step Up Squad is hosting a Food Drive to support local families in our community.

Non-perishable items like canned goods, pasta, rice, and boxed meals are greatly appreciated.

Let's dance, donate, and make a difference! Thank you for your generosity and support.
