

MINI MESTERS

Ready for a twirl-tastic adventure? 🎉 Our MINI-MESTERS are the perfect way for young dancers to explore the world of dance—without the long-term commitment! These 5-week, action-packed sessions are filled with fun, giggles, and all the jumps, spins, and leaps you love from our full-year classes! 🦸‍♀️ ⭐

This is perfect for testing out a new style or keeping the dance vibes flowing with a flexible, shorter commitment! 🎯

This session ends with a Fall in-class performance!
Performance outfit is included in tuition price.
